

# A Look Inside Technology Integration

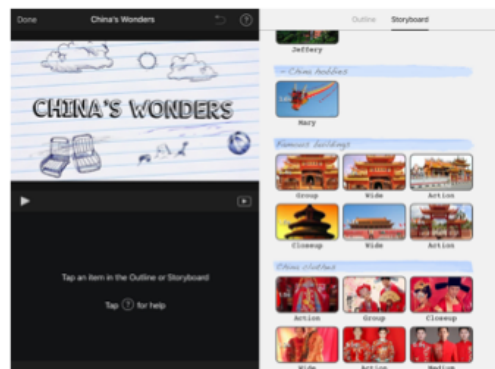

**Information Technology at CISB**  
 "enables students to investigate, create, communicate, collaborate, organize and be responsible for their own learning and actions." (IB, 2011)

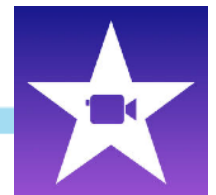

**Central Idea in Kindergarten:**  
 Stories Can Be Told in Many Ways.

iMovie & Green Screen helped us to be creative storytellers

**Central Idea in Grade 2:** Where People Live Is Connected To Their Daily Lives.

iMovie trailers helped us share our learning with others in a new way

**Central Idea in Grade 1:**  
 Change in Communities is Connected to The Individuals And Families That Live There.

This tool allowed us to communicate with learners in America about Chinese New Year
