

## **Canadian Academic Academy Program (CAAP)**

### **G11-G12 IB DP Subjects Tutoring Lesson Details**

#### **G11-12 IB Diploma Subjects Tutoring**

##### **Aims:**

- Develop the core IB subjects test skills
- Equip students with skills how to express ideas better and writing techniques to achieve high scores for IB essays.
- To train students how to structure and write IA and EE papers correctly

##### **Content:**

The Diploma Program is a rigorous two year pre-university course of study designed for students aged 16 to 19 which all students who are studying in IB international schools must take in Grades 11 and 12. Each Subject has standard level (SL) and higher level (HL).

Due to the diversity of course structures and the needs to different individuals, CAAP program will provide teachers for one on one tutoring based on students' individual needs. Such as:

##### **Mathematics**

##### **Biology**

##### **Chemistry**

##### **Physics**

##### **Business Management**

##### **Economics**

##### **History**

##### **Language A: literature**

##### **Language A: language and literature**

##### **Language B: Mandarin**

.....

Firstly, the CAAP teachers help students to comb the knowledge points, check which parts are missing, and focus on the missing parts.

Secondly, teachers will check the students' learning situation with the real test of the past years, and make corresponding exercises.

Thirdly, in view of the problems in the real questions and exercises, teacher will continue to supplement the deficiencies and improve the students' ability to master knowledge. Prepare well for the DP exam.

***The time of the class will be scheduled according to the students' needs.***
