

CISB SY2324 the 4th Term of Nonpay ASA---Apr 22 to Jun 14

Day(s) (Monday, Tuesday and Thursday)	Time	ASA Title	Teacher Name	Grades/ levels of the Academic support	Max Number of Students per teacher	Room Number	A brief description of ASA / Academic support
Monday	15:40-16:40	Friendship bracelets	Hasnaa	G3-5	10	W317	Students will show their personality and artistic skills by making bracelets. The friendship bracelets are usually made of several strands of embroidery that are knotted to form intricate patterns. Traditionally, friendship bracelets are a way for friends to show how much they mean to one another. Put simply, a friendship bracelet is a gift given by one person to another as a symbol of friendship.
Monday	15:40-16:40	Art Exploration and Expression	A. Yhap	G2-3	10	W207	Art exploration and expression is an after school program that will allow students to explore different mediums of art and use them as a platform to express elements of who they are, their identity, passions and interests. We will look at a variety of art mediums including drawing, painting, collage, sculpting, and learning about different artists and their art styles.
Tuesday	15:40-16:40	Non-native Chinese Extension	Harriet	G2-G3 (non-native students)	10	W406	Students will learn high-frequency survival language vocabulary and Chinese characters in learning activities. (Repeated content with Term 2)
Tuesday	15:40-16:40	Board Games	Bonnie	G4&5	10	PYP Library	Students will sharpen their thinking, communication and social skills while playing board games.
Thursday	15:40-16:40	Movie Club	Pieter	G5	12	W309	Movie club is an exciting after-school activity designed for young movie enthusiasts in primary school. This club provides an opportunity for students to come together and explore the world of cinema in a fun and engaging way. Each week, club members gather to watch a carefully selected movie that is age-appropriate and educational. Through these movie screenings, students not only enjoy the entertainment value but also develop critical thinking skills, enhance their creativity, and broaden their cultural awareness. In addition to watching movies, the club also includes interactive discussions and activities related to the film, encouraging students to share their thoughts, ask questions, and express their opinions. The primary movie club is an excellent platform for children to bond over their shared love for movies and develop a deeper appreciation for the art of storytelling through film.
Thursday	15:40-16:40	Native-Mandarin Chinese homework support G1-2	Annie	G1-2 (native student)	10	W408	Students will develop good learning habits and cultivate a sense of time. They will improve the efficiency of task completion. Students will review the knowledge promptly by getting timely feedback and improving their self-confidence.
Thursday	15:40-16:40	Native-Mandarin Chinese homework support G3-G5	Iris	G3-G5(Native students)	10	W419	Students will develop good learning habits and cultivate a sense of time. They will improve the efficiency of task completion. Students will review the knowledge promptly by getting timely feedback and improving their self-confidence.
Thursday	15:40-16:40	Basics of sewing	Dsilva	G4-5	5	W315	Hand sewing is a valuable skill for kids to learn, as it teaches them how to work with their hands and build something from scratch! They will also develop fine motor skills and improve their concentration. Students from the previous sewing batches can join too to continue their sewing designs.
